

Easter Reading Challenge

Take the challenge and get reading...

At St Joseph's Roman Catholic Primary School we encourage all children to read for pleasure. We would like to invite children, parents and grandparents to take part in our reading challenge.

Why not discuss with each other the books that you are reading and if you feel inspired, feel free to send in a book review or pictures to display in the classrooms and inspire others.

READING CHALLENGE

How many of these challenges can you complete?

- A book you can finish in a day
- A non-fiction book
- A book by a female author
- A book set in another country
- A book by an author you haven't read before
- A book that has an animal in the title
- A mystery story
- A book someone in your family read as a child
- A funny book
- A book by an author you have read before
- A book written by a male author
- A book about a real person

Keep a record of the books that you have read for each challenge to share with your teacher back at school.
