Physical Education Premium Funding

At St Joseph's Roman Catholic Primary School, we recognise the contribution of PE to the health and well-being of the pupils. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our pupils. Physical Education and sport clearly contribute to the holistic development of young people and through participation in sport and physical education, the pupils learn more about key values such as teamwork, fair play and respect for themselves and others. There is significant evidence to show the positive effects of sport and exercise on pupils' physical health, growth and development. Furthermore, sport also provides a healthy environment for young people to learn how to deal with competition and how to cope with both winning and losing.

What is the Sports Premium?

The government has provided funding of £150 million per annum over three academic years (£450 million in total) to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools for leaders and governors to decide how it will be spent so that it improves the quality of sport and PE for all their pupils.

For 2018-2019, St Joseph's Roman Catholic Primary School received **£20,060**
For the year 2019-2020, the funding expected is £19,858

Click on the link below for more detailed information:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

Purpose of the funding:

Schools will have to spend the sport funding on improving their provision of PE and sport but will have the freedom to choose how to do this.

Possible uses of the funding include:

- To source external agencies to provide high quality after school clubs
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in school games
- Providing places for pupils on after school sport clubs and residential visits
- Purchase of quality PE and play time equipment

At St Joseph's Roman Catholic Primary School, our overall aim will be to continue to improve the quality and breadth of PE provision for all pupils, raising achievement and ensuring a lasting impact.

Funding for 2019 to 2020

- Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.
- We will publish the school expected breakdown of funding for the academic year 2019 to 2020.

Planned spending and anticipated Impact of PE Funding at St. Joseph's Roman Catholic Primary School: £19,858

Actions planned	Anticipated Impact	Costs
Additional swimming provision for Year 3, 4 and 5 pupils. <i>(Year 6 swim is part of the normal curriculum offer).</i>	Additional swimming places for Years 3, 4 and 5 at Willesden sport centre throughout the academic year. Year 6 will also attend provision at the centre (costed to the delegated budget). This will ensure that by the end of KS2 pupils learn to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively, and perform safe rescue in different water-based situations.	£10,483
Training for support staff so that they are engaging pupils in activities and games during lunchtimes.	All lunchtime staff will be trained by Therese Hoyle Consultancies to support their understanding and confidence in organising games and activities for pupils during lunchtime breaks so that they are spending the majority of their time engaged in exercise. The school will apply for the playground award at the end of the training programme.	£1,400
Trained dance professional to deliver dance sessions to pupils.	Each class will receive a term of training with a professional dance teacher. Pupils will learn the fundamentals of Irish dance, technique and positioning. Pupils will be learning and focusing on the Reel, Single Jig, Light Jig, and Slip Jig dances. Pupils will progress from basic movements (threes and sevens) into choreographed dances, and movement from one dance to the next, which will culminate in performance at the end of each term.	£7,200
To source external agencies to provide high quality after school clubs covering dance, netball and gymnastics.	Enhanced quality of provision of PE lessons – covering all strands. Increased range of sporting opportunities. Increased levels of motivation from all pupils. Highly skilled professional delivery of skills and techniques.	£1,000
PE Subject Leaders training (ongoing)	To develop the skills of teachers and TAs. To improve monitoring of PE. To further, develop knowledge of the PE curriculum. Differentiation of ability in PE. Increase and monitor participation rates.	£1,000

To support regular sport tournaments, festivals and competitions for pupils of all ages.	Increased pupil participation in competitive activities. The sharing of best practice. Increased pupil awareness of opportunities available in the community. Improved self-esteem of pupils participating in events. Pride in representing the school.	£1,000
'Health and Fitness' week	Excellence and enjoyment of PE. Develop an awareness of healthy living and improve lifestyle. Experiencing a new sport and alternative sporting activities. Improve well-being of pupils. Cross-curricular links with other subjects including SMSC. Parents will be invited to attend cookery sessions with the school chef to find out how healthy eating can reduce childhood obesity.	£500
Purchase of PE and Playtime equipment and resources to support planning and delivery of high quality PE.	Equipment available to improve the quality of lessons. Correct equipment will improve levels of skill development. Enhance positive attitudes. Increased engagement in physical activities during playtime. Increased fitness levels of pupils. Positive playground experiences.	£1,500
Total committed to date		£24,083

Year 3 – Irish Dancing

2018- 2019

Impact of PE Funding at St. Joseph's Roman Catholic Primary School Total Amount: £20,060

Actions planned	Impact	Costs
To source external agencies to provide high quality after school clubs covering basketball dance, and netball.	Specialist teachers continued to enhance the quality of provision of after school club lessons – covering all strands. Pupils were provided with a range of sporting opportunities in order to increase levels of motivation. In particular, the basketball after school club provided pupils with the opportunity to develop their ball skills further. The dance club ensured that pupils had the opportunity to plan, practice and perform their dance sequences for an audience. The pupils then performed at the Lyceum theatre as part of the Disney project.	Capital City Buy Back £1,700
PE Subject Leaders training (ongoing)	Highly skilled teachers and TAs. Children motivated and engaged in all lessons. Needs of all groups of children met during PE sessions. Participation in lessons high with children active for the vast majority of lesson time.	
To support regular sport tournaments, festivals and competitions for pupils of all ages.	Increased pupil participation in competitive activities. The sharing of best practice. Increased pupil awareness of opportunities available in the community. Improved self-esteem of pupils participating in events. Children have taken part in football, basketball, tennis and athletics competitions.	£2,000
'Health and Fitness' week	'Health and Fitness' week promoted excellence and enjoyment of PE. The health and fitness week included pupils taking part in year group and phase group sports competitions. These competitions provided pupils with the opportunity of experiencing a new sport and alternative sporting activities. Cross-curricular links with other subjects including SMSC supported development of the well-being of pupils.	£500

Additional swimming provision for Year 3,4 and 5 pupils	KS2 pupils are becoming more self-assured in their swimming ability. They are developing confidence in the water and working towards been able to swim at least 25 metres by the end of their KS2 experience at St Joseph's. By the end of Year 6 in 2019, 75% of pupils were able to swim 25 metres and 42% of pupils were able to swim 50 metres.	£13,500
Purchase of PE and playtime equipment and resources to support planning and delivery of high quality PE.	Having a range of equipment available for PE lessons and playtime has helped to improve the quality of experiences and opportunities in sports for pupils. Having the better quality equipment has improved levels of skill and physical development. In turn this has created positive attitudes and increased engagement in physical activities. Fitness levels have improved and pupils look forward to sports activities both in lessons and at playtimes.	£2,360
Running cost of school mini bus for transport use, to and from competitions, fixtures and sport festivals.	School mini bus has been purchased using 50% of PE Premium Funding. Two members of staff have passed the D1 Minibus Training Course. The minibus is now in frequent use. As a result, pupils are attending more competitions in and out of the borough allowing the school to participate in events that have not been previously accessible.	£1,500
Total spend 2018-2019		£21,560
