St Joseph’s Roman Catholic Primary School  
The Best Performing School in Brent

It is with delight and a great sense of pride that I write to inform you that St Joseph’s is officially the best performing school in Brent!

The 2011 SATs data released last week placed the school at the top of the performance table for Brent and we are one of only 49 schools in the whole of London to have 100% of Year 6 SATs results at L4+ for English and Maths. For the record, all children also achieved L4+ in their Science assessments.

This is a tremendous achievement which is well-deserved first and foremost by the children who studied well through the 2010-11 academic year to attain outcomes to be very proud of. It is also a testament to the hard work of the teachers who not only deliver quality teaching – they also prepare the children for learning by reinforcing our high standards of behaviour and high expectations of attendance.

Finally, I would like to thank parents for their support of their children and the whole school community. It is through our partnership, our Catholic ethos and a shared desire for children to reach their full potential that will ensure children at St Joseph’s will continue to flourish as they prepare for the next step in their academic learning.

Please find attached a full list of the performance tables for the London area so you can fully appreciate this wonderful achievement. I would also like to take this opportunity to remind you that Ofsted have introduced an online questionnaire - ‘Parent View’ – for parents to provide their opinion about school performance. Please access the questionnaire at http://parentview.ofsted.gov.uk/

Yours sincerely

Mrs D Titus
