Bicycles and Scooters

I am writing to inform parents that bicycles and scooters must not be used on the school premises. Recently, children have been using bikes and scooters in the playground before school and at the end of the school day. This is a health & safety concern as riding bicycles and scooters increases the risk of accidents.

If you would like your child to use a scooter before or after school, please take control of the equipment on the school premises.

If your child enjoys cycling to school, please ensure they are wearing the appropriate safety equipment including a well-fitting helmet. Bicycles may be kept in the allocated area during the school day but we must state that these are left at the owner’s risk and the school will not take responsibility for any loss or damage.

Please also write to the school for permission if a bicycle is to be left on the premises as we have a limited space for storage.

I thank you in advance for your co-operation.

God bless,

Mrs D Titus
Headteacher
