Dear Parent / Guardian

Parent View

Thursday 08 December 2011

Ofsted have recently launched the Parent View initiative so parents and guardians have the opportunity to comment on particular aspects of their child’s school. Ofsted have stated that they will use the comments to help them decide when they should visit particular schools.

Yesterday, over 30 parents attended a presentation about Parent View where we looked at the recent improvements and successes at St Joseph’s. I was very proud to inform parents that St Joseph’s is the top performing Catholic school in Brent and that we are in the top 1% of schools nationally. When we also consider the context in which our children are growing and learning (the environment, the financial issues and high unemployment), the school’s performance is outstanding.

I also took the opportunity to look at the Parent View questionnaire with parents to find out more about the questions that Ofsted are asking about schools.

If you were unable to attend the meeting yesterday, please visit the following website

http://parentview.ofsted.gov.uk

You will need to complete a short registration process before you can access the questionnaire. It should take no longer than 10 minutes to complete the whole process.

I would encourage you to take this opportunity to share with Ofsted the significant improvements and outstanding achievements we have worked for at St Joseph’s and you have my assurance that the whole school staff continue to work together to help your children reach their full potential.

Yours sincerely

Mrs D Titus
Headteacher
