Beast of Buckingham Palace

David Walliams

Hi, my name is Alicia and this book is called 'Beast of Buckingham Palace' by David Walliams. He is my favourite author and he also signed this book.

I recommend you this book because it is really funny, but also sad. Sometimes there are unexpected bits too!

David Walliams came to my previous school and gave us 800 books for the library. At Christmas my dad went to see David Walliams and he signed my book for me.
