Lost In The Storm

Holly Webb

This book is about a kitten called Fluff. Her owner worries about her going missing again. Fluff goes out in the snow and goes missing. Fluff finds a white kitten that's about four weeks old and is just breathing. Ella finds Fluff who shows her the kitten and Ella then adopts the kitten.

I recommend this book because it's cute and happy. Also this is a good book for long readers and people who like cats.
