

Book Recommendation

Book Title: STEAM Chasers- We Made That

Author: Dr. Doresa A Jennings

Selected Audience or reader group:

Year 3 and 4

Book Synopsis

This book is about 6 kids and how they go on an adventure around their neighbourhood on an educational treasure hunt. On their way they find out what African Americans have invented and how we use those inventions in our everyday lives.

Suitability

I think this book would be suitable for you if you like action, adventure or mystery.

If you liked this book.....
I'm sure you will like other books by Dr Doresa like 'STEAM Chasers- The Blackness of Space or maybe The Boundless Blackprint.
