Varjak Paw

SF Said

Our favourite book is Varjak Paw and the author is SF Said. We like Varjak Paw because of the many adventures. In the story, there are seven 'skills' in the Way of Jalal. Some of them are called: slow-time, moving-circles and shadow-walking. Varjak Paw is a Mesopotamian Blue kitten. He lives high up in an old house on a hill. However, if Varjak wants to go out of his house, he must use The Ways of Jalal to survive in the city, which is full of dangerous gods, cats, gangs and the strangest thing of all: the vanishings. Varjak's family didn't want to let him leave the house; however, Elder Paw and Varjak found a way. You will have to read the story to find out exactly how they do it!

Take the book out of the library to find out what happens and expect to feel lots of different emotions.
