

Week beginning 10/01/2022

The name of this book is Rosa And The Secret Princess. I enjoyed this book because all of the chapters are interesting and I always have something to look forward to. I find this book suitable for all ages under 10 as it captures the reader and makes them have a clear image of what's going on. This book has an interesting twist and an amazing back story. I would recommend this book to 7-8 year old girls. I would read this book again.
