

Week beginning 13/12/2021

My book was called 'A present for Rosie' by Jonathan Emmett. I liked this book because the characters travel and I always enjoy travelling with my family. In this book the characters try and look for a present for each other and I like this because I always try and find presents for my family at times like Christmas. My favourite character is the little bear called Rory because he was the one looking for presents and he is adorable!
