

St. Joseph's Roman Catholic Primary School

Home Learning information for parents

Class: Mrs Murphy (NM)

10/10/2025

Important Notes:

- Please continue to read to your child every evening.
- Can you please make sure that all items of school uniform are **labelled**, including ties, hats and scarves?

Maths: Colour of the week

This week the children are exploring the colour blue. They are making and building a range of models using the blue construction.

RE: Creation and Covenant

This week the children had a look at the globe and took turns to hold it and say something about the things that God created.

"Day 5, fish and birds," Janae

"The stars," Toria

After that the children then used the coloured cubes to make crosses and had a go at making the sign of the cross by blessing themselves.

Family photo`s

Can you please send in a family photo of you and your child for our Welcome to the Busy Bee`s board. This photo will be used as part of a welcome into St Joseph`s nursery and will be put on display for the children to enjoy and look at throughout the year.

Homework

For homework, can you help and support your child with having a go at tracing over and writing their name? The names are in a cursive font and this is how your child will learn how to write their name.

PSED: School coats

Something to do at home

As the weather is now getting cooler and the children are starting to wear their coats. **Can you please support your child in putting on and taking off their coat?** Allow your child time to have a go themselves and then give them support when they need it. This is a very helpful skill for your child to develop as they can then independently take off and put their coat on themselves in nursery.

Please return your child`s book bag each Wednesday.
