PSED: Something to do at home
Can you please continue to support your child in taking off and putting on their coat?

Allow your child time to have a go themselves and if they are struggling, give them the support they need.

This a very helpful skill for your child to develop as they can then independently take off and put their coat on themselves in nursery. When your child has finished wearing their hat **please encourage** them to put it in their sleeve as this **will hopefully help control** how many hats are not on the pegs but on the floor.

UW/CL/EAD: Brown Bear, Brown Bear

The children are continuing to talk about and listen to the story` Brown Bear, Brown Bear` by Bill Martin Jr. They are starting to colour, decorate, and write words for the `Brown bear, brown bear` display.

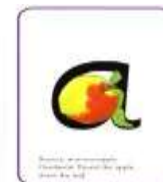

Some more children are painting pictures of bears for the display as well.

Literacy:

a

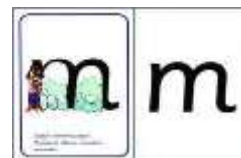

- In nurse we are learning about **sounds** following the **Read Write Inc** programme by Ruth Miskin.

www.ruthmiskin.com/en/

- This week's sound is "a": apple, ant, arm...
- We practised how to form a: "And... Round the apple, down the leaf"
- Complete the "a" sheet.

Remind your child about the sound of the week from last week. Get them to continue to try and write the previous and talk about objects etc that start with the sounds.

RE: Prophecy and Promise

This week the children listened to the story about Angel Gabriel visiting Mary and telling her the wonderful news that God had chosen her to have a very special baby.

The children looked at a variety of pictures of angels and then some coloured and decorated them.

Mathematics: number 3

For the last two weeks, the children have been looking at and learning all about the number 3.

They are learning to recognize when there are three objects in a set and how to show 3 by using their fingers. The children practice counting 3 objects by touching them and pointing to them and say`1...2...3.

Please return the book bag on Wednesday.
