

My Book Review

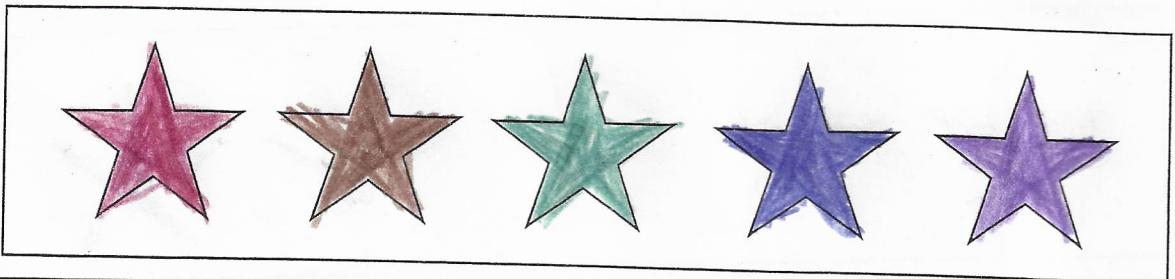

Book title: *The Missing Bunny*

Author: *Holly Webb*

What did you like or dislike about the book?

My favourite part was Humbug made a perfect hiding place and she was sleepy after her exploring. Humbug tucked herself into a tight ball, and her ears sagged down onto her back as she drifted off to sleep.

Book title: INVESTIGATORS

Author: JOHN PATRICK GREEN

What did you like or dislike about the book?

I like about the investigators book and the part I like it was Happy birthday Scientist And it took them an hour to spell "Scientist" it is NO, it didn't! And that doesn't even rhyme!

My Book Review

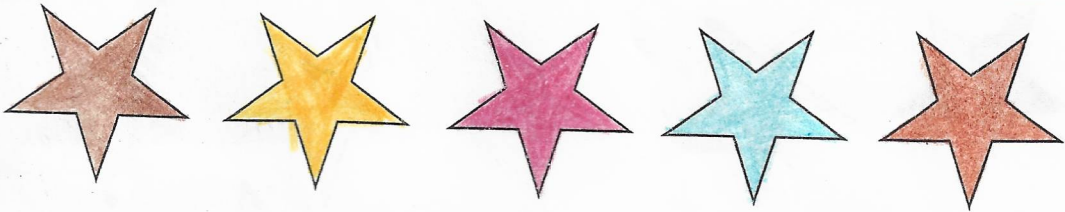

Book title: THE EMERALD FOREST

Author: CATHERINE WARD KARR LITTLEWOOD

What did you like or dislike about the book?

I like about the book Catherine called
to her family. She saw through
the trees away from the sounds and
the smoke.
