CL/L/EAD: The Gingerbread Man

The children were very busy this week creating their very own gingerbread man. First they had to colour the picture in, next have a go at cutting it out and after that they give their gingerbread person eyes, a nose and some buttons. The gingerbread people were then backed and are put up in the nursery for all to enjoy.

RE: Galilee to Jerusalem

This week the children took part in a circle time and looked at pictures of 'Jesus with the little children'. The children took turns to look at the pictures, talk about what they can see and who was in them.

Something to do at home: Does your child have a favourite book?

If they do, can you send the book in with your child and during the week we will read their special story to the class. Please make sure you have put your child's name on their book. After we have read the story your child make take their book home and bring in another one of their favourite books.

Phonics:

- This week's sound is "g":
green, glasses, glue...
And... Round her face, down her
hair and give her a curl".
