Supporting Transition to Secondary School

- Do you have questions regarding the next step in your child's education?
- Do you want to know what you can do over the summer to support your child getting ready to go to secondary school?
- Would you like to meet other parents / carers of autistic going through this transition?
- Would you like to gain a greater insight into what you can be doing now to support this transition?

This session will provide an opportunity to join Clare from BOAT (Brent Outreach Autism Team) to discuss how to practically support your child in getting ready for secondary school in September 2026

Date of session: Thursday 17th April 2026

Time of session: 10 – 11am

Location of session: The session will be held virtually. The link is below:
