

St. Joseph's Roman Catholic Primary School

Home Learning information for parents

Class: Mrs Murphy

27/03/2026

Dear parents:

Please read to your child every night and talk about the pictures in the story. Ask them questions about how many cats can you see? What colour is the grass, sky, the sun etc. Continue to support your child with writing their name using the name card. Remind them how to hold the pen/pencil correctly.

Phonics:

This week's for phonics we recapped over all of the sounds we have learnt already.

For each sound there is a rhyme and this helps the children remember how to say the sound and also reminds them on how to write it as well.

`m,a,s,d,t,n,o,i,p,g,c,k,u,b`

If you are unsure of how to say certain sounds, check out the website for help.

RE: Desert to Garden

What is a symbol?

A symbol is a picture or object that helps us remember something important. At Easter, Christians use special symbols to remember Jesus.

To help us celebrate this new life at Easter, the children coloured and decorated pictures of eggs, chicks, lambs and bunnies as they help us to think about this new life that God promised to us.

Something to try at home:

The children are working really hard to learn their numbers from 0-10.

Can you please work with your child at home and get them to count how many people for dinner? How many plates, cups etc would you need. Then get your child to have a go at writing their numbers on a piece of paper. Take a picture and upload it to Google classroom.

Easter homework:

The children have been given some extra homework for the Easter holidays. Have a lovely Easter.

Please put your child's work into the book bag and return each Wednesday.

Remember to check google classroom for updates and work.
