

St. Joseph's Roman Catholic Primary School

Home Learning information for parents

Class: Mrs Murphy

15/05/2026

Something to do at home: Junk Modelling

The children are having fun creating models and objects in the creative area. They are using small boxes, bottles, straws, buttons and lots of other materials to make their models. Can you please send in some materials for us to use in the creative area? These can be tubes (no toilet rolls), boxes both big and small, plastic lids, straws, clean yogurt pots, string or any other material that the children can use to create something with.

RE: To the Ends of the Earth

This week the children explored and talked about the Holy Spirit and how it can help us to make good choices. They looked at some pictures and used their thumbs up or thumbs down to show good or not so good choices.

A big Well done to the N2 children for taking part in their first ever Sports Day. They had great day and enjoyed taking part in all of the stations. Pictures will be on Tapestry.

Books from home:

Can you please send in your child's favourite book from home? The stories will be read to the children during the week and will then be sent home at the end of the week.

Phonics:

This week's sound is "h": horse, hat, hot, hand...

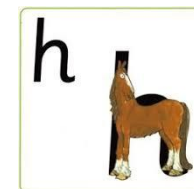

We learnt how to form the new sound h:

"And... Down the head to the hooves and over his back" back

These are the sounds we have learnt so far:

m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e, l, h.
