RSHE - God is Love

This session tied into the EYFS topic 'people who help us'. The children identified those who help us in an emergency. The children also discussed which emergency service they might need in specific scenarios and the principle of Emergences and non-emergences.

Mathematics

This week the children built upon their knowledge of grouping. The children also explored sharing (odd and even) and identifying fair and unfair by looking at the objects that are left over. The children also explored doubles and how to find and make them.

Literacy/ imagine: Fairy Tales

This week the children received a surprising letter from Fairy tale land. This week we focused on the Big Bad Wolf and how he is always a mischievous character.

The children thought of the different roles the Big Bad Wolf had in different stories like the Three Little Pigs and Peter and the Wolf. The children then began to write and retell their own story of the three little pigs!

Religious Education

This week the children talked about how Peter and Paul are special friends of Jesus. We learnt that the feast day is the 29th of June and that the church celebrates the work that Peter and Paul did to follow in Jesus footsteps.

Reading Records

The children are taking home a library book. Please read it to your child daily and discuss key events and characters. On the reading record book please write a little note telling us if your child liked the book and why (e.g. Jack thought it was funny, it made him laugh). Please return the book bags on Wednesday, not before.

Google classroom

This week's home learning is to go on an exciting caterpillar hunt, see how many you can find! There is also some Mathematics. Please see google classroom for further instructions. Please remember to practice the 100 high frequency words with your child every night.
