Home Learning information for parents

Class: Mrs Murphy

12/06/2026

Mathematics: Ordering numbers up to 15

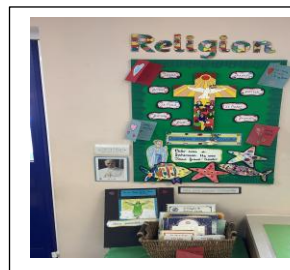

This week the children have been helping to order the numbers from 0-15. The children took turns to help put the numbers into the correct order.

RE: Dialogue and Encounter

This week some of the children made cards to say sorry for not sharing and being kind. Some more made cards to say "Jesus you are my friend, I love you Jesus"

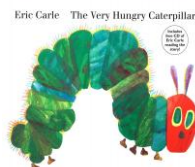

The children coloured their hearts added some flowers and heart stickers and then had a go at writing their message inside. The cards were then put on our prayer board

CL/EAD/M/P: The Very Hungry Caterpillar

This week the children listened to and talked about the Story of 'The very hungry Caterpillar' By Eric Carle.

The children then drew their own caterpillars, coloured, decorated them and then cut them out for our display. Some of the children made caterpillars out of beads and drew a picture for the head.

Something to do at home: Thank you to the children and parents who made the fantastic musical instruments. The children have enjoyed playing with them. Please continue to support your child with their cutting skills.

Phonics:

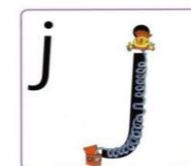

This week's sound is "j": jam, jelly, jacket...

We learnt how to form the new sound j:
"And... Down his body, curl, dot for his head".

These are the sounds we have learnt so far:

m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e,
h, l, r, j.
