RE: Dialogue and Encounter

This week the children were finding out about how we look at and celebrate our local community. They looked at a picture of the school and the local church. Next we spoke about what happens in these places. We discussed that we are a faithful Catholic school and are part of a faith community.

A **faith community** is a group of people who: Love God, Pray together, help each other, care for others and celebrate together.

Can you please send in a photograph of you and your family at church?
You can print out a picture or upload it on to Google Classroom.

UW/CL/P: Seed Diary

This week the children have started to keep a seed diary on the mini sunflower seeds that they had sewn last week.

In the first box the children had to draw all the things they need to help plant the sunflower seeds and help them grow. Then they had to have a go at copy writing some initial sounds and cvc words: sun, pot, seeds etc.

Phonics:

This week we are learning two sounds:

The first sound is: ` ʋ ʊ `.

v, v, v...vulture, van, vase,
violin...

"And... down a wing, up a wing".

The second sound of the week is: ` ʏ ʊ `.

`y, y, y,...yellow, yak, yogurt, yoyo...

*"And... down a horn, up a horn and under
his head".*
