

St. Joseph's Roman Catholic Primary School

Home Learning information for parents

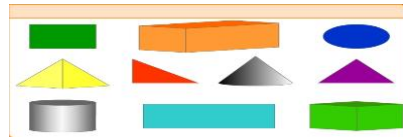

Class: Mrs Murphy

3/07/2026

Dear parents/careers,

- Please continue to support your child with their homework each week.
- Remind them about writing their name correctly (First letter is a Capital letter and then all of the rest is lower case) their sounds, cvc words e.g.: cat, dog, mum, etc and numbers up to 20.

Mathematics : 3D shapes

This week the children are starting to explore 3D shapes. They are learning the shape names e.g.: cube, cone, cuboid, sphere, cylinder and triangular prism

Phonics:

This week we are learning two sounds:

The first sound is `w`

`w,w, w': water, web, worm, watch...

`And.. down up, down up`

The second sound of the week is: `z`

z,z,z, zip, zoo, zap

`zig , zag , zig`

www.ruthmiskin.com/en/

Zig-zag-zig.

UW/CL/P:

Our topic this term is `People who help us` and our small world area has houses, cars, fire engines and figurines of people who help us. The home corner is a Doctor`s Surgery. The children are having great fun dressing up as different characters / people who help us.

UW: Sunflower seeds

The sunflower seeds are now starting to grow. Each morning the children are excited to see how much they have grown and cannot wait to take them home. The children are taking turns to water their plants each day.

Please remember to return the book bag each Wednesday.
Remember to check Google classroom for updates and work.
