

Summer Reading Challenge

A huge well done and congratulations to all the children in Years 1–6 who completed our Summer Reading Challenge.

It was wonderful to see so many of our pupils making time for reading over the summer holidays and enjoying a range of fantastic books. Every child who completed the challenge received a special certificate from the Headteacher to celebrate their achievement.

We are incredibly proud of the commitment our children have shown. Reading is one of the most important things we can do to support our learning. It helps us to develop our vocabulary, improve our writing, strengthen our understanding and knowledge and spark our imagination. Most importantly, reading can take us on incredible adventures and introduce us to new people, places and ideas.

A special thank you to all the parents and carers who encouraged and supported reading at home during the holidays.

Keep reading, keep discovering and keep enjoying books. We look forward to seeing all the wonderful books our pupils discover and read throughout the year.
