Pupil Leadership Roles at St Joseph's

At St Joseph's, we believe that every child has the potential to be a leader and make a positive contribution to our school community. We are proud to offer a range of pupil leadership opportunities that encourage children to develop confidence, responsibility, independence and teamwork. Through these roles, our pupils learn the importance of serving others, being positive role models and living out our school's Catholic values.

Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl

Our Head Boy, Head Girl and their Deputies are important ambassadors for our school. These pupils are elected by their fellow pupils following a school election, giving children the opportunity to experience democracy and understand the importance of voting. They act as positive role models, represent the pupil voice and support school events, assemblies and special occasions. They demonstrate our school values through their behaviour, attitude and commitment to helping others.

Head Girl and Head Boy

School Council

Our School Council provides pupils with a voice in the decisions that affect school life. Representatives are democratically elected by children in their classes following an election process. School Councillors meet regularly to share ideas, discuss suggestions from their classmates and work together to make positive improvements to our school. This role encourages children to develop leadership, communication and teamwork skills whilst learning about democracy and active citizenship.

Mini Vinnies - Caritas Ambassadors

Our Mini Vinnies and Caritas Ambassadors play an important role in promoting our Catholic ethos and putting faith into action. Inspired by the teachings of Jesus and the work of St Vincent de Paul, these pupils demonstrate kindness, compassion and a commitment to helping those in need. They support charitable activities, fundraising events and initiatives that promote social justice, care for others and service to our local and wider community. Through their actions, they encourage everyone to live out the Gospel values in everyday school life.

Caritas Westminster

Happy to Help Monitors

Our Happy to Help Monitors take pride in making a positive contribution to the daily running of our school. They undertake a variety of responsibilities, including helping to set up and clear away in the dining hall, supporting younger children in Nursery, Reception and Key Stage 1 during lunchtimes, and assisting with general housekeeping and office duties. These responsibilities encourage pupils to develop independence, reliability, teamwork and a caring attitude towards others. Our monitors demonstrate that even small acts of kindness and service can make a big difference to our school community.

Reading Buddies

Our Reading Buddies are Key Stage 2 pupils who support younger children in developing their reading skills and enjoyment of books. By listening to children read, sharing stories and offering encouragement, our Reading Buddies help to build confidence, fluency and a love of reading. This role also provides older pupils with the opportunity to develop patience, communication skills and a sense of responsibility, whilst building positive relationships across different year groups.

School Librarians

Our School Librarians help to create a welcoming, organised and engaging library environment for all pupils. Their responsibilities include keeping books tidy, organising shelves, helping children find suitable reading materials and encouraging others to explore new books and authors. Through this role, pupils develop organisational skills, independence and responsibility, whilst promoting a love of reading throughout our school.

Shed Monitors

Our Shed Monitors play an important role in helping to keep playtimes and lunchtimes safe, organised and enjoyable for everyone. They are responsible for helping to set out playground equipment, ensuring that it is used appropriately and making sure that all equipment is collected and stored away safely and securely at the end of each play session. Through this role, pupils develop responsibility, independence, teamwork and organisational skills, whilst encouraging others to take care of our school resources and playground environment.

Developing Leaders of the Future

At St Joseph's, pupil leadership is about much more than holding a title. It is about making a difference, helping others and taking pride in our school community. We value the contribution of all our pupil leaders and recognise the important role they play in making St Joseph's a happy, caring and welcoming place where everyone can flourish.
